

Date: May 18, 2011  
To: NRP Policy Board Members and Alternates  
From: Robert D. Miller  
Subject: Aquatennial Torchlight Parade

NRP staff solicited their neighborhoods to determine the level of interest and to get commitments from neighborhood volunteers who want to participate on the Aquatennial Torchlight Parade. To date we have received commitments from between 80 – 100 people from several neighborhoods and more continue to come in every day.

NRP staff has reserved the use of a hay wagon that will be hitched to a pick-up truck for use in the parade. This will accommodate all the volunteers who have mobility issues and cannot walk and also any children under the age of 10 as they are not allowed to walk in the parade.

There will be a BBQ supper in the courtyard area of the Crown Roller Mill Building starting at 5:00 p.m. NRP staff will take care of all arrangements related to the picnic. A bus will transport people to the line-up site at Parade stadium at about 6:30 p.m.

I am encouraging all NRP Policy Board Members and Alternates to join us in the parade. We had a great deal of fun when NRP participated in 2007.

You can contact Barb Lickness, NRP Neighborhood Specialist at 673-5216 or [blickness@nrp.org](mailto:blickness@nrp.org) with any questions you have regarding the parade.
