1. Approve Dates for 2012 Neighborhood Representative Election

Bob Miller presented the information for the 2012 election in compliance with the rules set by the Policy Board. Jeffrey Strand started the conversation about the election by enquiring what the status of the Policy Board will be in 2012. Members then offered their perspective of the situation. The City has indicated and Barbara Johnson confirmed, that it will not participate in any Joint Powers agreement after December 31, 2011. Jeffrey Strand then made a motion to change the dates recommended for the election with additional language about having a meeting set up between the City and NRP before the next Policy Board meeting. Before a second was offered to his motion, concern was expressed about conflict with established policy. The motion was seconded by Barb Johnson and was revised to change the dates of the election process to August 24, September 23 and December 1. The chair asked that the dates be a separate motion. Annie Young expressed concern about going against established policy and moved to table the motion. Her motion was defeated. A roll call vote on the motion for changing the dates was taken. The motion was defeated. A roll call vote was then requested for approval of the dates as originally presented. The motion was approved.
