# **2019 Community Participation Program Annual Report** 2019 Highlights

#### PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS

- What was the issue or opportunity the neighborhood was facing?
- · Who was impacted?
- What steps did you take to address the issue or opportunity?
- What was the outcome?

### 18. MAJOR HIGHLIGHT #1

In partnership with the University of Minnesota, BNA launched a health study to measure the health effects of area pollution. Randomly selected residents received a survey in the mail to measure the prevalence of cancer and asthma in the Lowry Bridge area. In partnership with Northside neighborhoods, BNA volunteers are doorknocking to encourage residents to complete the survey.

### 19. MAJOR HIGHLIGHT #2

Through persistent outreach work, the Bottineau Neighborhood Association Board was able to partner and engage with the Bottineau Commons resident council. BNA is addressing Bottineau Commons safety and building concerns with Councilmember Steve Fletcher and building management. Concerns include access to the community room at the building. The closure of the community room has been a roadblock to engagement with the building residents; BNA is interested in holding meetings, classes, and events in the building.
