Dear Community Member:

I am pleased to provide you with the attached Community Engagement Report, which was produced in response to the City Council's direction of May 12, 2006, to review and summarize previously documented feedback, reports and recommendations on the City of Minneapolis's current community engagement system and activities.

When this report was presented to the Ways and Means & Budget Committee of the City Council last week, the committee decided to distribute the report to the community for review and comment prior to discussion by the full City Council. With this letter, the report is being distributed to neighborhood groups and other organizations referenced in the report, including official City boards, commissions and jurisdictional partners. You are welcome to forward this letter and report to others who may be interested.

The City Council plans to take the report up for discussion early in 2007. One of the first questions the Council will consider is whether to conduct further community engagement activities relative to specific recommendations outlined in the report. As a result, we need to **receive written comments by Friday, January 5, 2007**. Please submit comments to Clara Perrin, Community Engagement Coordinator, 301M City Hall, 350 S. Fifth Street, Minneapolis, MN 55415; by fax to (612) 673-20111, or by email to: clara.perrin@ci.minneapolis.mn.us

If you need a paper copy of the report, or need this information in a different format, please contact Ms. Perrin at (612) 673-3163 or at the email address above. The report is also available on the City of Minneapolis web site at: <http://www.ci.minneapolis.mn.us/>

We look forward to receiving your comments.

Sincerely,

Steven Bosacker
City Coordinator
