Q20

PLEASE SHARE ONE STORY ABOUT A PROJECT OR INITIATIVE YOUR ORGANIZATION CREATED OR SUPPORTED IN RESPONSE TO THE VARIOUS CRISES OF 2020-21:

STAWNO's Riverfront Parks Committee has been working with the Minneapolis Park and Recreation Board to start conversations around the Pioneers Monument in BF Nelson Park, which has long been a source of controversy. These conversations intensified after the murder of George Floyd and the citywide racial reckoning conversations, and in the wake of the removal of many confederate monuments around the country. The Committee continues to gather community feedback on the monument to help inform the Park and Rec Board's decision making process to remove, alter, add to, or contextualize the existing monument.

Q22

Q23

What more would you like to tell NCR or the community ABOUT YOUR STAKEHOLDER INVOLVEMENT? What are you doing that is NEW OR PARTICULARLY SUCCESSFUL TO REACH RESIDENTS and others?

We spent the last few months of 2021 planning for more outreach in 2022, including revamping our social media pages, door knocking, and tabling at apartment buildings in the neighborhood. These efforts will focus in particular in engaging with residents who historically have not been as involved with STAWNO. These efforts are not reflected in this report, as the outreach itself started in 2022.

Q24

MAJOR HIGHLIGHT

After the tumultuous years of 2020 and 2021, our neighborhood was proud to once again host our annual Historic Riverfront 5k Run/Walk in October 2021. STAWNO has hosted this event for over 15 years, and it was heartbreaking to have to cancel the 2020 event, so our 2021 run/walk brought a much-needed sense of a return to normalcy for the community. Many neighbors had not seen each other in person for over a year and a half at this point, and this was a safe, fun way to bring the community together and continue a long-standing neighborhood tradition.
